Recruitment Team

Emirates Group
Dubai, United Arab Emirates

Dear Emirates Recruitment Team,

I'm thrilled to submit my application for Emirates' cabin crew employment. Despite my lack of past hospitality or customer service experience, I am keen to pick up new skills, develop, and add to Emirates' renowned world-class level of service. I am very flexible, sensitive to cultural differences, and committed to making sure that travellers from all backgrounds have a warm and safe experience.

During my time at university, I served as a laboratory assistant, where I developed strong communication, organization, and teamwork skills. The role required precision, professionalism, and a calm approach to problem-solving qualities I believe are essential for a successful cabin crew member. It also taught me how to work effectively under pressure and collaborate with individuals from diverse backgrounds, experiences that have shaped me into a reliable and resilient team player.

I consider myself a problem solver with a positive attitude and a genuine interest in people. I meet the physical and grooming standards outlined in your requirements, am fluent in English, and am ready to relocate to Dubai and meet all UAE employment visa conditions.

What attracts me most to this opportunity is Emirates' commitment to excellence, safety, and world-class service. I am excited about the chance to be part of such a dynamic and respected team, and I am confident that with the right training and guidance, I will thrive in the role and contribute meaningfully to the Emirates experience.

Thank you for considering my application. I look forward to the opportunity to learn, grow, and represent the Emirates brand with pride.

Warm regards,

Precious Mthimunye.
