Profile Summary

I am a 26-year-old final-year student completing my Work Integrated Learning (WIL) in March 2025 as part of my Diploma in Computer Science at Tshwane University of Technology. I am actively seeking a Software Developer internship where I can apply my skills in software development, web technologies, and database management. I am highly adaptable, eager to learn new frameworks, and capable of working in an agile environment. My expertise includes front-end and back-end development, API integration, and object-oriented programming (OOP).
